Dear Sir:

I am writing as I promised, following our conversation at Ruppert Stadium.

After going over our schedule, I find The Eagles could come to Madison Saturday Sept. 9th as you requested. I am afraid it is too late in the season to arrange any other games, as we stop playing the 15th of September.

If you want us to come the night of Sept. 9th, the terms will be a guarantee of \$150.00 with an option of 40% of the gross, after taxes.

Please let me hear from you as soon as possible, as I may want to make some other plans if we do not come to Madison.

Very Truly Yours
